Adath Israel Women's League Fundraiser 2018

Order your Shalach Manot Baskets for Purim

During Purim it is customary to bring a basket of sweets to friends, family, and neighbors. The sweets contribute to the joy and festiveness of the holiday. Adath Israel Women's League has put together baskets of sweets for you to purchase for your friends and family. We will even deliver them for you (see delivery area).
Continuing again this year we are offering a congregational Happy Purim card which will be sent to the entire congregation, your name will be included for a small donation.
