*Serving the communities of Princeton,
Mercer & Bucks Counties, &
Beyond*

EGALITARIAN VALUES

We are a **diverse, egalitarian, Conservative Jewish congregation** that embraces lifelong education and community service.

Adath Israel has been **nationally recognized** for its special needs services, including a professionally staffed Resource Center.

We are enriched with members representing a **broad spectrum of religious observance**.

JEWISH EDUCATION

Let our **award-winning team of educators** help welcome your child to a lifelong love and appreciation for our religion, values, and heritage.

We offer up to five hours per week of **quality education**, focused on Jewish values, holidays, ritual and prayer, from pre-K through high school.

Our Hazzan provides supportive, one-on-one **Bar- and Bat-Mitzvah preparation** for each child, and our Rabbi works with each family to ensure a **memorable and spiritual celebration**.

And for parents, Adath's **Adult Education Program** serves up a variety of classes, lectures, and special events.

CULTURAL ENRICHMENT

We supplement classroom-based education with **holiday celebrations, special events, and synagogue participation**.

For teens, Adath Israel offers a Rabbi-led confirmation class, and a lively USY chapter for **fun social events** and community service.

And, our popular Madrichim program offers teens **valuable experience** assisting our experienced teachers.

OUR CHILDREN. . . OUR COMMUNITY. . . OUR FUTURE. . .
