**THE BEAUTIFICATION
OF THE
ROTUNDA NICHE**

This Niche Beautification Project incorporates stained glass medallions, depicting the 12 Tribes of Israel.

The 12 Tribes of Israel, as depicted in the 10" round medallions, were taken from the original Adath Israel Synagogue Building, built in the early years of the 1920s.

From the Torah: Numbers 1:5-15

Reuben, Simeon, Judah, Issachar, Zebulun, Ephraim,
Manasseh, Benjamin, Dan, Asher, Gad, Naphtali

These antique medallions lovingly preserved were always intended to be displayed in this building.

Now, as they find a new home, to shine once more,
it is an opportunity for us to honor
and/or memorialize
our dear family and friends.

Please look over the display board and "construction" site in the rotunda to visualize the completed project.

When completed, the lighting will behind the medallions will be uniformed and diffused.

The final selection of the wood trim has not been finalized.

Three Dedication Levels are Available
