**Sunday, December 2nd 3pm show**

This show is based on an Indiana high school which cancels a Prom because a student wants to bring her girlfriend as her date. Broadway actors come to the rescue as they try to stage the Prom. Check out [ThePromMusical.Com](http://ThePromMusical.Com)

Scott Dubin's sister, Jane Dubin, is a producer of The Prom. Jane has produced such Broadway shows as American in Paris (2015), Peter and the Starcatcher (2009), 39 Steps (2008), Bandstand (2017), and Farinelli and the King (2018). The shows have received numerous Tony Awards. She is excited about this show and may be able to meet with us prior for a discussion. This promises to be a fun group event.
